Elevation: 1 354m

### Stage 5

Distance: 53 km  
Elevation: 583m

### Stage 6

Distance: 152 km  
Elevation: 68.7m

## THE RIDE

23 May 2020	Registration (Windhoek)
24 May 2020 - Stage 1:	A tough introduction to the famous Khomas Houchland hills passing through the farmlands that surrounds the South West side of Windhoek.
25 May 2020 - Stage 2:	A pleasant day in the saddle, the circuit passes a couple of leopard caves and a number of dams amongst other spectacular sceneries.
26 May 2020 - Stage 3:	A long day in the saddle on quiet gravel district roads through the legendary Khomas Hochland with a long rideable climb after passing through the Kuiseb River.
27 May 2020 - Stage 4:	A beautiful transcending route from the Khomas to the Erongo Region consisting mostly of jeep tracks with some sandy stretches towards the end.
28 May 2020 - Stage 5:	A spectacular ride that passes through a variety of dolomite and granite rock formations.
29 May 2020 - Stage 6:	The last day is the longest ride but luckily it is all downhill and passes through the beautiful Namib-Naukluft National park and finishes next to the Atlantic Ocean in the Historical town of Swakopmund.
